PHOTOGRAPHY: BEAUTIFUL SETTINGS

Our finely landscaped grounds include natural foliage, rolling fields with quaint fences and romantic trees. Choose from many scenic backdrops for beautiful photographs.

VENUE: CHARMING AND SPACIOUS

Spacious is the best term to describe The Carriage Room. The room features a charming adjoining lounge and the two rooms together can seat up to 500 people. There is a stage area to accommodate your band or disc jockey allowing for a large dance floor. This room is private with its own entrance, lounge, rest room facilities, private bridal suite, and ample parking.

The room's floor plan is custom designed to ensure the most intimate setting for your guests.

AFFORDABLE FAMILY STYLE DINING

We specialize in celebratory budget friendly gatherings. Our family style, home cooked chicken is baked slowly until it falls off the bone. Add to that our pasta with our trademark marinara sauce, fresh-baked rolls, signature french fries and salad tossed with our family's unique house dressing. The meal is completed with coffee and ice cream. Our Wedding Consultant will discuss any food allergy or dietary restriction concerns.

All food is freshly made to ensure your banquet dining experience is one to remember.
